Dear Sponsors,

On behalf of the NIMDAC Executive Committee, I'd like to thank you for considering to support our annual gala.

Northern Indian Medical and Dental Association of Canada (NIMDAC) was founded in 1993. Over the past 25 years, NIMDAC has grown stronger and bigger. There are now over 500 active members. It is a non profit organization which is run by the office bearers who are elected by the members annually.

NIMDAC's goal is to update its members with the current medical literature, with the scientific and educational programs, which are held regularly throughout the year. We organize educational, charitable, social and cultural events regularly throughout the year.

As the title of our organization suggests, our membership generally derives from East Indian background. Sponsorship would give you access to a unique demographic of physicians and dentists that may be otherwise hard to reach.

By sponsoring the 25th year anniversary gala, NIMDAC is extending your organization preferred sponsorship pricing on our annual conference in October. Please contact us to find out how you can get involved.

We expect over 200 attendees to participate in the NIMDAC Bollywood Gala 2017. It is an excellent opportunity for you and your company to network with high net worth individuals and explore new opportunities for business and collaboration.
