

23rd Annual CME Conference

October 9th – 12th

Marriott Gateway on Falls, Niagara Falls, ON

Continuing MEDICAL EDUCATION

Program Goal

Our primary goal is to update family physicians, specialists and surgeons on the recent developments in medicine and surgery. Nimdac is a non-profit organization with over 160 life members and about 400 active members. Each year about 100 physicians/dentists participate in the annual conference.

Objectives

1. Identify and screen individuals at risk of HCV. Adopt appropriate evaluation and referral processes for patients with HCV. Evaluate current and emerging treatment for HCV.
2. Impact of depression on functional recovery. Previous treatment options available. New choices available.
3. Diagnosis of migraines. Acute and prophylactic treatment of migraines. Red flags to watch out.
4. Diagnosis of functional disorders. Treatment options for function disorders.
5. Discussing types of geriatric incontinence. Discussing management of geriatric incontinence. Discussing evaluation of geriatric incontinence.
6. Choosing second line agents for treatment of T2DM. Comparing DPP-4i vs SGLT-2i. Safety and efficacy of antihyperglycemic agents.
7. Screening and diagnosis of Alzheimer's disease and other dementias. Management of Alzheimer's disease and other dementias. Latest research advances.
8. Diagnostic approach to breast lump and its differential diagnosis. Treatment of breast lump.
9. Review of CKD toolkit focusing on identification, detection and management.
10. Review the various etiologies of fever. Review clinical presentations of fever by age group. Discuss the management including work up, disposition and appropriate referral to ER.
11. Assessment of an obese patient. Diet and Lifestyle counseling. Pharmacotherapy and Surgical management
12. Update on management of various medical conditions. New research on various medical issues. Review of the key points presented in NIMDAC 2015

Educational Methods

LECTURES

DEBATES

Accreditation

*This program meets the accreditation criteria of the College of Family Physicians of Canada and has been accredited for up to **8.0 Mainpro-M1 credits** as approved by the Continuing Education and Professional Development Office at the Northern Ontario School of Medicine.*

*This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, approved by the Continuing Education and Professional Development Office at the Northern Ontario School of Medicine for up to **8.0 hours**.*

Evaluation

A course evaluation form will provide participants with an opportunity to comment on value of the program content as applicable to their practice. Attendees can comment on any perceived commercial bias in the presentations and can indicate future educational topics.

CME Certificates and attendance Verification

Certificates documenting attendance will be electronically sent to participants. To obtain a CME certificate, attendees must submit a completed questionnaire and a CME verification form.
