Dear Sir/Madam,

On behalf of the NIMDAC CME Committee, I would like to thank you for considering supporting our annual educational event. NIMDAC is a non-profit organization, with over 230 life members and 500 active members. Each year, approximately 100 physicians participate in the CME conference. In attendance are Family physicians, Dentists and a wide array of specialists.

As a sponsor you will have an opportunity for a display at an exhibit booth. There is dedicated time within the agenda for sponsorship booth visits. To reach the most of our membership we dedicate a member to help direct attendants to your booth.

The different levels of sponsorship are listed below:
